

DUMMY DOWNHILL

Sunday, March 14, 2010

\$5 Entry Fee

All dummies must be registered by 1:00PM on Sunday, March 14 for the Dummy Downhill race. Registration is at the Snowbar, located at the base of Yodeler. Dummies will be inspected, weighed and measured at that time. The race will begin promptly at 2:00PM.

For safety reasons, metal bracing or metal weights may not be used in dummies. Acceptable construction materials include wood, plastic, wire, tape, foam rubber, vinyl, cardboard or plastic tubing. Weight and ballast can be provided with sand or other non hazardous materials. Dummies may not exceed 40 pounds in weight, 6 feet in height or 36 inches in width of stance. Dummies may not be living or breathing. Smoke effects are acceptable but nothing that can catch fire. After the race, it is the responsibility of the owner to remove and dispose of their dummy.

By signing below, you acknowledge that your dummy has been constructed of acceptable materials and does not contain any heavy metal or other hazardous parts. Serious consequences are at stake if you do not abide by these rules and regulations. Good luck and may your dummy be a winner!
