### PRESIDENT'S REPORT

Please welcome new members – Diane Hageman, Jeff Ford, and Sandra Rolletta, and returning member – Christine Novicky.

After making the tough decision to cancel our Telluride trip due to the ski patrol strike and the lack of snow, I am so glad we have the 3-day midweek ski trip Tuesday to Thursday Feb. 24-26 to Holiday Valley. If anyone wants to plan a drive-up trip to Seven Springs (an Epic pass resort) or anywhere else, please put it on our What's App Activity Page.

Do you have a story about our club? I am looking for historical information about the club as we are celebrating our 70<sup>th</sup> anniversary this year. That is an amazing length of time for a social club. I was told that Richard Alberini and Mike Lester founded the club in 1956. At one time, we were close to 500 members and took 3 full buses to Buffalo, NY for skiing and a New Years Eve Party. Both Karen and Ed Hahn and Curtis and Anita Bell met as members and married. Others have become lifelong friends. Our race team known as the "Black Sheep" made a name for themselves in the Cleveland Metro Ski Council. Our club has traveled the world over these years – Italy, Spain, Andorra, France, Austria, Switzerland, Russia, Tahiti, Hawaii, Caribbean, Costa Rica, Ireland, Greece, New Zealand. And we still have fun together.

**If you enjoy being a member of the Warren Ski club and want to continue to see our club grow, please think about running for office.** Nominations are in March and the election is in April. Kathy Terlecky, our Secretary, and JoAnn Bahr, our Treasurer, are both stepping down. Also, Terry Shifflet is looking for backup support with the newsletter and the website as she plans on traveling more. We need you and your ideas. Please contact me.

*Sincerely, Pat Kearney - 330-550-8400 or attorneypkearney@gmail.com*

**Warren Ski Club has many travel opportunities listed below.**

**You must be a current member of the WSC (\$25) to go on our trips.**

*It was a great time in Telluride 2026....NOPE — just a dream. But we also avoided the nightmare flying home the day before Winter Storm Fern. The club's decision to cancel the trip due to labor issues was a hard one. We are still working to get everyone their funds back. If there is still interest in skiing Telluride, we will look to reschedule in 2028. Denise Malovich 724-813-6209.*

**Feb. 1, 2026 Holiday Valley Bus Trip (Sunday). Seats available. It's a great time to introduce your non-member friends to the club. This trip is subsidized by the club so take advantage of the savings! Must call by Saturday to get on board. Bus will leave on time. Don't be late! TL: Terry Shifflet 330-442-2863**

## **WHAT ARE THESE PLACES WE'RE TRAVELING TO?**

\* **Kelleys Island Glacial Grooves:** The glacial grooves are 400 feet long, 35 feet wide, and up to 15 feet deep. They were created by the slow movement of the massive glacier that created the Great Lakes and Lake Erie Islands. This National Natural Landmark is the largest and best accessible example of this geological phenomenon anywhere in the world!

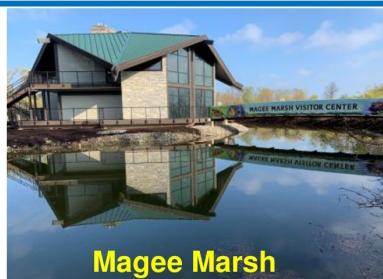

\* **Marblehead Lighthouse State Park:** The Marblehead Lighthouse is one of Lake Erie's best known and most photographed landmarks. It is the oldest lighthouse in continuous operation on the Great Lakes.

\* **Magee Marsh:** The Lake Erie marshes gained fame during the late 1800s as some of the best waterfowl hunting areas in the United States. Today, the region still supports some of the most intensively developed and managed waterfowling in the Midwest.

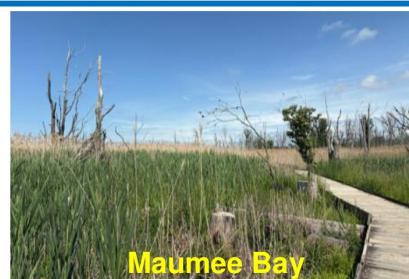

\* **Maumee Bay State Park:** The landscape here is a unique environment created by the convergence of the land and Lake Erie. A resort lodge, cabins, and golf course are nestled among scenic meadows, wet woods, and lush marshes. More than 300 bird species have been observed here.
