PRESIDENT'S REPORT

I am happy to announce that we have a volunteer for Treasurer – Kim Biksey. She is currently the controller for a local business and is in the process of getting her CPA license. She has been a club member since 2023. I know her personally and would welcome her financial knowledge and business experience.

It has been a challenge to have the executive board meetings before our membership meetings. So, beginning with the new executive board, I will conduct these meetings on a different day using Zoom.

We are in the process of revising our bylaws. If you have any suggestions or comments as to the current procedures and regulations, please contact me.

Our trip to the Dolomites and Milan, Italy was so much fun. Cindy Johnson Mintus did a great job on her first time as trip leader and will fill you in on the details of the trip. The tour operator's agent in Italy, Agnes, and her husband, Marco, took us around the mountain on our first day to get our bearings. Marco is Bodie Miller's agent and helps train the Norwegian Olympic Ski team. We met their friend Francesco Moser who is a world-famous Italian bicyclist and owns one of the wineries we visited.

I am looking forward to summer with our May bus trip to Maumee State Park, Lake Milton Boat Club party, bike rides, kayak floats, Pubs of the Month and other activities. Come to our membership meetings, follow us on Facebook and What's Up Activities pages or visit our website to stay current.

Sincerely, Pat Kearney - 330-550-8400 or attorneypkearney@gmail.com

After 2 years of planning, 22 Ski Club members flew the friendly skies of United to Milan, Italy to begin our ten days of Skiing and fun in Italy. The trip did not disappoint.

First, we were off to Andalo, a small town in the Trentino region of Italy, where the Paganella Ski Resort is located in the Dolomites. We stayed at the Hotel Cristallo, located at the base of the mountain and directly across from the Gondola. The Hotel was quaint, friendly and very accommodating. We were basically ski in and ski out and right near the center of town. We enjoyed 5 days of fantastic skiing on the mountain with groomed trails and really very good weather, sunny with some cloudy days. They received snow the week before, so the mountain skiing was very good. Our guides, Agnese and Marco, skied with our group on Monday and Tuesday so we could get used to the slopes. We had a cocktail reception and dinner at mid-mountain and a luncheon on top of the mountain, which required the non-skiers to hike up and down the slopes and ride the chairlift. It was a challenge, but to the credit of our group everyone made it! We ate like kings and queens all week as the hotel provided 4 course meals every night and a wide-ranging buffet of food and drink for breakfast, all of which was included in our package.

On Wednesday afternoon, we toured two wineries: Mezzacorona Winery which is a large commercial winery and Francesco Moser Winery which is a small local winery owned by Francesco Moser, a renowned (retired) professional road bicycle racer in Italy. Francesco attended our lunch and gala dinners and skied with us during the week. We visited his hall of fame when we went to his winery. Thursday we spent the afternoon in Trento and walked around and enjoyed the sites.

On Saturday, we had a boat tour of Lake Garda, Italy's largest lake and then visited Malcesine, the most beautiful city on the shores of Lake Garda, which included a trip to the Scaligar Castle and shopping! Then we got back on the boat and were taken to the city of Limone where we enjoyed walking around and the beautiful scenery. Then back on the boat to the mainland for our trip back to Andalo.

On Sunday, we left Andalo for our trip to Milan. This trip included a stop to Sirmione on Lake Garda where we had a guided walking tour and then a stop at the winery Azienda Agricola Al Rocol where we had appetizers and some lovely wine. Then off to the Hotel Bianca Maria Palace in downtown Milan. We had an English-speaking guide from Sunday thru Wednesday who was such a great addition to our trip. Roberta really assisted us in getting around and provided great contexts for all we saw on our trips around Milan.

Monday, we left Milan and took a bus tour with Roberta to Como. The route along the lake was so beautiful. We had a walking tour of Como, saw the beautiful Como Cathedral, then enjoyed a three course Italian lunch. We then boarded a ferry on Lake Como and took it to the town of Bellagio where Roberta gave us a guided walking tour of the city. We then returned by boat to the mainland, and since this was the official beginning of summer, our bus had to travel back to Milan thru Switzerland. This was such a scenic route and was an extra bonus for our trip.

Tuesday, we had a private walking tour in Milan. We toured the Sforza Castle, the Cathedral Center (Piazza del Duomo) and of course saw the Milan Cathedral (Duomo di Milano). We had plenty of time to have a nice lunch, shop and enjoy the square. There were still some remnants of the 2026 Winter Olympics to see. We then walked to the Last Supper exhibition and that concluded our day.

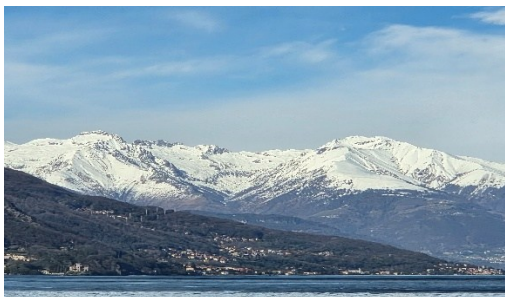

Bright and early Wednesday morning it was off to the Milan Airport. Ten days flew by, but I think we were ready to get back home. United came through for us again with smooth flights back to Newark and then Cleveland. A Big thanks for Mike and Sheri Agnew of Group Travel Simplicity and their Italian counterparts Agnese and Marco for designing such a great trip! And a big thank you to the Warren Ski Club members who joined us on the trip!

Arrivederci!
